

PETITION

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO

Whereas industrial wind turbine developments have raised concerns among citizens over health, safety and property values.

Whereas the Green Energy Act allows wind turbine developments to bypass meaningful public input and municipal approvals;

Therefore we, the undersigned, petition the Legislative Assembly of Ontario as follows:

That the Minister of the Environment revise the Green Energy Act to allow full public input and municipal approvals on all industrial wind farm developments and that a moratorium on wind development be declared until an independent, epidemiological study is completed into the health and environmental impacts of industrial wind turbines.
